(chorus)

Don't make me bring you back were the start
You can run but you won't come i»¿ far
Don't let me show you how with your are
Hurts like bullets between these walls.
(x2)

Hurts like bullets between these walls
seen less with powder drippin' of the led
angels in my snow breathing at the end.

(chorus)

Don't make me bring you back were the start
You can run but you won't come i»¿ far
Don't let me show you how with your are
Hurts like bullets between these walls.
(x2)
