In the moonlight in the daylight
Struggle to get on
And you know me, understand me
You will make me strong
You will make me strong
You will make me strong

Look at me, here I am
Reaching for your arms again
I saw the hurt and all the pain
And get back on my feet again

Hear you sighing til' your crying
I am not alone,
'Cause you see me, wanting me to be melancholy
Melancholy so

Look at me, here I am
Reaching for your arms again
I saw the hurt and all the pain
And get back on my feet again

[Instrument break]
Dez, Nove, Oito, Sete, Seis, Cinco, Quatro, TrÃªs, Dois,
Um

There is no fear, there is peace here
I have found a home

Look at me, here I am (I am strong)
Reaching for your arms again
Saw the hurt and all the pain (I am strong now)
And get back on my feet again
(I am strong now)
(I am strong now)

Look at me, here I am
Reaching for your arms again
I saw the hurt and all the pain
And get back on my feet again

Look at me, here I am (I am strong)
Reaching for your arms again
Saw the hurt and all the pain (I am strong now)
And get back on my feet again
(I am strong now)
(I am strong now)
(I am strong now)
