You can travel the world
But you can't run away
From the person you are in your heart
You can be who you want to be
Make us believe in you
Keep all your light in the dark
If you're searching for truth
You must look in the mirror
And make sense of what you can see

Just be
Just be

They say learning to love yourself
Is the first step
That you take when you want to be real
Flying on planes
To exotic locations wont teach you
How you really feel
Face up to the fact that you are who you are
Nothing can change that belief

Just be
Just be

'Cause now I know
It's not so far
To were I go
The hardest part is inside me
I need to

Just be
To just be (x3)

I was lost and
I'm still lost but
I feel so much better

'Cause now I know
It's not so far
To were I go

The hardest part is inside me
I need to

Just be
To just be
