One and two
Three and four
Come through
Kaleidoscope

I fear you that
I ain't sealed
Some mend
Have been
In my mind

It's where I
Want to be
It's where I
Want to see
All together
Now we sing
In unison
All together
Now we sing
In unison

One and two
Three and four
Come through
Kaleidoscope

All together
Now we sing
In unison
All together
Now we sing
In unison
It's where I
Want to see you
It's where I
Want to be

All together
Now we sing
In unison

It's where I
Want to see you
Where I
Want to be

All together
Now we sing
In unison
It's where I
Want to see you
Where I
Want to be
