Somebody to rough you up  
Somebody to make it tough  
Somebody to bait you  
Somebody to love  
But wait...

Is it still love you want  
Somebody to pamper  
Somebody to blame it on  
Somebody to love  
But wait...

(Chorus)  
Baby, baby I wanna be true  
You gotta knock me out some other way  
And I want to be with the sun and the moon  
I've been hopeless  
And I want to

Baby, baby I wanna be true  
You gotta knock me out some other way  
And I want to be with the sun and the moon  
I've been hopeless  
I've been..

Somebody to take you out  
Somebody to show you how  
Somebody to train you  
Somebody to love  
But wait...

Is it still love you want  
Somebody to put you down  
Somebody to smack you 'round  
Somebody to love  
But wait...

(Chorus)

Ooooooo

High hopes  
High hopes  
She got high hopes

High hopes (x7)  
She got high hopes

High hopes (x7)

Ooooooooo

(Chorus)
