Just dance forever,
As us together,
'Cause when the sun goes down,
On the empty streets,
You got to hold tight,
To watch them weep.

Just dance forever,
As us together,
'Cause when the sun goes down,
On the empty streets,
You got to hold tight,
To watch them weep.

I've never seen you seen like this before,
You're always shouting and screaming for more,
You're asking how do we open the door?
When nobody has the key.

I've never seen you seen like this before,
You're always shouting and screaming for more,
You're asking how do we open the door?
When nobody has the key.

I've never seen you seen like this before,
You're always shouting and screaming for more,
You're asking how do we open the door?
When nobody has the key.

I've never seen you seen like this before,
You're always shouting and screaming for more,
You're asking how do we open the door?
When nobody has the key.

I've never seen you seen like this before,
You're always shouting and screaming for more,
You're asking how do we open the door?
When nobody has the key.

'Cause when the sun goes down,
On the empty streets,

You got to hold tight,
To watch them weep.

Just dance forever,
As us together,

Just dance forever,
As us together,

Just dance forever,
As us together,

When the sun goes down,
On the empty streets,
You got to hold tight,
To watch them weep.
