i was waiting for you to release me  
i been hanging around for a minute  
baby dont give me u it wont hurt me  
i dont even know if u deserve me

but with that moon in the sky  
who wants to be alone  
and when the stars shine so bright  
who wants to be alone

dont take me home till the sun comes up till the sun  
comes up x4

right next to me  
you wanna be  
till the sun comes up

i am goin nowhere in a hurry  
baby come take away all my worries

but with that moon in the sky  
who wants to be alone  
and when the stars shine so bright  
who wants to be alone

dont take me home till the sun comes up till the sun  
comes up x4

right next to me  
you wanna be  
till the sun comes up

im out of my head x5

but with that moon in the sky  
who wants to be alone  
and when the stars shine so bright  
who wants to be alone

dont take me home till the sun comes up till the sun  
comes up x4

right next to me  
you wanna be  
till the sun comes up
