i was waiting for you to release me
i been hanging around for a minute
baby dont give me u it wont hurt me
i dont even know if u deserve me

but with that moon in the sky
who wants to be alone
and when the stars shine so bright
who wants to be alone

dont take me home till the sun comes up till the sun
comes up x4

right next to me
you wanna be
till the sun comes up

i am goin nowhere in a hurry
baby come take away all my worries

but with that moon in the sky
who wants to be alone
and when the stars shine so bright
who wants to be alone

dont take me home till the sun comes up till the sun
comes up x4

right next to me
you wanna be
till the sun comes up

im out of my head x5

but with that moon in the sky
who wants to be alone
and when the stars shine so bright
who wants to be alone

dont take me home till the sun comes up till the sun
comes up x4

right next to me
you wanna be
till the sun comes up
