I don't need a ring to show me
What your love's worth
Don't need fancy things to show me
What your love's worth

You're my diamond
when I'm with you, I shine
I'll be with you every day
So every day I'll shine so bright

I'm a rich girl
When I am with you
I know
You are my whole world
And I will never let you go
I can't explain
How you light me up inside
I'm radiating
That's not something you can buy

You're my diamond
when I'm with you, I shine
I'll be with you every day
So every day I'll shine so bright

You're my diamond
when I'm with you, I shine
I'll be with you every day
So every day I'll shine so bright

All my life
I've been looking for love
I thought I'd never find it

All my life
I've been looking for you
I just didn't know it

You're my diamond
when I'm with you, I shine
I'll be with you every day

So every day I'll shine so bright

Yeah you're my diamond
My diamond
My diamond

You're my diamond
You're my diamond

You're my diamond
You're my diamond
