A Kid On A Corner  
Tiffany

You Keep me hanging like a  
kid on a corner  
Just because you think you can  
Don't be so certain that I'll always be there  
Just because I've always been

People change and I've been changing  
Don't you notice after all this time

Chorus:  
I'm not gonna be  
Just a kid on a corner  
Hiding my heart  
Saving my love any longer  
I'm not gonna be  
Just a kid on a corner  
A Kid on a Corner

You should know by now that  
everything changes  
Even stars fall from the sky  
So if your nights all seem a  
little bit colder  
Just remember so do mine

Once I tried to out do trying  
You still don't know me after all this time

Chorus:  
I'm not gonna be  
Just a kid on a corner  
Hiding my heart  
Saving my love any longer  
I'm not gonna be  
Just a kid on a corner  
A kid on a corner

Looking down the street

Out across the night  
It took some time to see  
But my heart is mine

I'm not gonna be  
Just a kid on a corner  
Hiding my heart  
Saving my love

I'm not gonna be  
Just a kid on a corner  
You're breaking my heart
