Back in the groove now
I'm so glad we're back together
Back in the groove now
Want your love forever

Couldn't sleep at night
I'd hold my pillow so tight
I was wondering why
When all I wanted was my guy
Just when I thought that I'd lose my baby
He came to save me
Every tear that I cry
Everyday that went by
Will be no more

Back in the groove now
I'm so glad we're back together
Back in the groove now
And I want your love forever

I couldn't eat
Without your love, I was so weak
But now that you're here, my darlin'
I have no fear

Just when I thought that I'd lose my baby
He came to save me, yeah
Everyday that went by
Every tear that I cry
Will be no more

Back in the groove now
So glad we're back together
Back in the groove now
And I want your love forever

Back in the groove now
So glad we're back together
Back in the groove now
And I want your love forever

All the guys in the world
Couldn't take me away
From being his girl
I'm so crazy 'bout you baby
A broken heart will be no more

I just wanted to say
That I'm so glad that we're back together again
And the only other thing I have to say
That I want your love forever
I want your love forever

Back in the groove now
So glad we're back together
Back in the groove now
And I want your love forever

Back in the groove now
So glad we're back together
Back in the groove now
And I want your love forever
