(0.58)

Secret eyes,

Saying nothing at all,

You'd think our love,

Was a breaking the law.

Kisses in the darkness,

That no-body sees,

They know we're together,

But they don't know how it feels.

They can tear us apart,

Send you away,

Oh, But they can't stop my heartbeats.

They can tell me to go,

And never come back,

Woah, But they can't stop my heartbeat,

No.....

(1.56)

Words of steel,

They tell me not to leave,

I wanna be with you,

But I can't get free,

In a fit of rage,

I run out the door,

There's no tomorrow,

When I'm in your arms and,

They can tear us apart,

Send you away,

Woah, But they can't stop my heartbeat,

They can tell you to leave,

And never come back,

Woah, they can't stop me,
They can't stop my heartbeat,
(2.43)
Hold me, all through the night,
Show me, our love is alive,
Kiss me, before its too late,
'Cos this time, our love just can't wait.....
(3.03)

(3.27)
Just one last look,
While they take you away,
They can send me back home,
But they can't make me stay.
I'll be waiting by the phone,
Till they let you go,
And I'll be with you in a heartbeat,
I just want you to know,
They can tear us apart,
Send you away,
Oh, we can't stop our heartbeats,
They can tell you to leave,
And never come back,
Woah, they can't stop me,
They can't stop my heartbeat,
Oh, they can't stop my heartbeat,
They can tell you to go,
And never come back,
Woah, they can't stop our heartbeats,
They can tear us apart,
And send you away,
Oh, But they can't stop my heartbeat,
They can tear us apart.....
