(lois blaisch)

The flowers you gave me

Are just about to die

When I think about

What could've been

It makes me want to cry

The sweet words you whispered

Didn't mean a thing

I guess our song is over

As we begin to sing

Chorus:

Could've been so beautiful

Could've been so right

Could've been my lover

Every day of my life

Could've been so beautiful

Could've been so right

I'll never hold what could've been

On a cold and lonely night

The mem'ries of our lovin'

Still linger in the air

Like the faded scent of your roses

They stay with me everywhere

Every time I get my hopes up

They always seem to fall

Still what could've been is better than

What could never be at all

(at all...)

Repeat chorus

How could I hold what could've been

On a cold and lonely night?
