Fly

When I was young
I never had no rules
I could do anything
As long as I believed
It's been a long time
I made it through the rain
You brought back everything
And I have found my wings

I can fly again
I found my heart
Waiting with you
A love that's true
I feel so alive
I can fly again
No letting go
It's where I belong
A love that's strong
For all of my life

Remember the times
I looked for brighter days
Hoping that things would change

And turn it all around
Now that you're here
I can see everything
Ride on the joy you bring
And lift me off the ground

I can fly again
I found my heart
Waiting with you
A love that's true
I feel so alive
I can fly again
No letting go
It's where I belong
A love that's strong
For all of my life

Repeat chorus (2x)
