(duet with rick rhodes)
(rick rhodes/patti austin/don grusin/dominic messinger)

Rick:

There is a time for everything in this world
And I think the moment's come for me to say
That I do love you

Tiffany:

Love
No we didn't have a storybook love
Still I dreamed that somehow we could change our
minds
You'll see, you'll see what I'm saying now

Both:

And what I'm saying now is you should

Chorus

Hold me
Darling, won't you hold me?
Give me one little chance to show you
Baby, if you'd only touch me
Then you'd know all the love I feel for you

Rick:

Oh, and if

Both:

If you would stop and take a look in your heart

Tiffany:

Then you'd find that secret place you hide

Rick:

(find that secret place)

Both:

Inside

Tiffany:

Is waiting for my love

Both:

Yeah, waiting for my love so won't you

Chorus x3

Hold me

Darling, won't you hold me?

Give me one little chance to show you

Baby, if you'd only touch me

Then you'd know all the love I feel for you
