"I Don't Think We're Alone"

Children Behave,
that's what they say when we're together
And watch how you play
They don't understand,
And so we're

Running just as fast as we can,
holding on to one another hands
Trying to get away into the night
and then you put your arms around me and we
tumble to the ground and then you say

I think we're alone now,
there doesn't seem to be anyone around,I think we're
alone now,
the beating of our hearts is the only sound

Look at the way we got our eye on what we're doin'
'Cause what would they say
If they ever knew,
And so we're

Running just as fast as we can,
holding on to one another hands
Trying to get away into the night
and then you put your arms around me and we
tumble to the ground and then you say

I think we're alone now,
there doesn't seem to be anyone aroundI think we're
alone now,
the beating of our hearts is the only sound

I think we're alone now,

there doesn't seem to be anyone around
I think we're alone now,
the beating of our hearts is the only sound

(instrumental)

Running just as fast as we can,

holding on to one another hands
Trying to get away into the night
and then you put your arms around me and we
tumble to the ground and then you say

I think we're alone now,
there doesn't seem to be anyone around,I think we're
alone now,
the beating of our hearts is the only sound

I think we're alone now,
there doesn't seem to be anyone around
I think we're alone now,
the beating of our hearts is the only sound

I think we're alone now,
there doesn't seem to be anyone around
I think we're alone now,
the beating of our hearts is the only sound

I think we're alone now,
there doesn't seem to be anyone around
I think we're alone now,
the beating of our hearts is the only sound
