Let me teach you
What Love has taught me
Let me please you
the kama sutra way

Come and teach me
what love has taught you
come and please me
the kama sutra way

It's crazy
how I can tell you understand
givin my love a second chance
I've broken trust that we once had

I need you
it's doesn't matter what's done before
I know it's time for me to close that door
I always knew that you'd be back for more

Move your body baby with me
Kama sutra baby with me
Move you body baby with me
Kama sutra baby with me

Hold you hands out to me
out to me

Hold you hands out to me
out to me
Hold you hands out to me
out to me

you like it
the imagination so wild and new
you doing things you said you couldn't do
holding positions til we both get it through

now I like it
my imagination so wild and new
I'm doing things I never thought I could do
holding positions til we both get it through

how you love me
pleasing my body baby as you want
it's the beginning dance into the dawn
love's a bridge and it's time to jump
