Keep walkin'

(C. Devore, S. Shiflett)

Am I in

Or am I out

Don't pretend that you don't know

What I'm talking about

In your eyes

I can see

The reflection of someone that's

Clearly not me

And you

Keep walking

like you got somewhere else to go

Keep walking

Like you don't care for me no more

Make a wish now baby

And I'll try to make it come true

But I feel this time I'll be losing you,

Butterfly

I'm gonna let you go

Know I thought the same thing ten times before

And keep walking

Like you got somewhere else to go

Keep walking

Like you don't care for me no more

Keep walking

Like you got somewhere else to go

Keep talking

Like you don't care for me

Keep walking

Like you got somewhere else to go

Keep talking

Like you don't care for me no more

Make a wish now baby

And I'll try to make it come true

But I feel this time I'll be losing you

Butterfly, I'm gonna let you go
You know I done the same thing ten times before

And keep walking...
