Am I in or am I out
Don't pretend that you don't know what I'm talking
about
In your eyes I can see a reflection of someone it's
clearly not me and you
Keep walking like you've got somewhere else to go
Keep talking like you don't care for me no more

Make a wish now baby and I'll try to make it come true
But I feel this time I'll be losing you
Butterfly, I'm gonna letcha go
I know I've done the same thing ten times before and
you...

Keep walking like you've got somewhere else to go
Keep talking like you don't care for me

Keep walking like you've got somewhere else to go
Keep talking like you don't care for me no more.

And you ...
Keep walking like you've got somewhere else to go
Keep talking like you don't care for me
Keep walking like you've got somewhere else to go
Keep talking like you don't care for me no more.
Butterfly, I'm gonna letcha go
I know I've done the same thing ten times before and
you
