Have you ever been kicked to the curb  
When the party finally ends  
Just when I thought that you left me for dead  
You dust me off again

Maybe you thought you could throw me away  
Like a shoe that doesn't fit  
But you've created your Frankenstein  
And now you've gotta live with it

And here I am  
(Going nowhere)  
You thought I'd turn and walk away  
Guess this ain't your lucky day

Too bad if you think I'm leaving  
I'm here to put you through hell  
Too bad if you don't believe it  
You've done it to yourself  
Too bad if you think I'm leaving  
Who cares if you hate my dog  
Maybe I'll get another  
Just to piss you off

I don't mind tying up the phone  
And sleeping in real late  
Haven't you noticed me filling the fridge  
With all the food you hate

And here I am  
(Going nowhere)  
You thought I'd turn and walk away  
Guess this ain't your lucky day

Too bad if you think I'm leaving  
I'm here to put you through hell  
Too bad if you don't believe it  
You've done it to yourself  
Too bad if you think I'm leaving  
Who cares if you hate my dog  
Let's all curl up together  
And stay up all night long

And play my favorite song...

Too bad if you think I'm leaving  
I'm here to put you through hell  
Too bad if you don't believe it  
You've brought it on yourself  
Too bad if you think I'm leaving  
Maybe you can pay my bills  
I ain't going nowhere  
Maybe I never will

Too bad if you think I'm leaving  
I'm here to put you through hell  
So what if you don't believe me  
You've done it to yourself  
Too bad if you think I'm leaving  
Who cares if you hate my dog  
Maybe I'll get another  
Just to piss you off
