To the B, to the B, to the B 'cuz I need  
Everybody to the floor, why? 'Cuz this beat is sick, yeah  
It's time to rock, uh, that's what it is  
Tiffany's her name, love is the game  
And the only way to play is with this promise ring

Sometimes a girl needs to know that she's  
Appreciated for all the things she does  
With some sorta token of love  
'Cuz without it her young heart won't know

And right then to my surprise, he  
Pulled out a small velvet box, pink ribbon tied  
I'm wondering what's inside  
He opened it and then he replied

He said, I promise not to hurt you, I promise not to lie  
I promise to befriend you and defend you with my life  
I promise you forever, I promise you today, he said  
Would you wear my promise ring? I said yes

If ya break ya promise we breakin' up  
Got a couple things that I want  
Walks in the park and sweet things  
If I rock your promise ring

I could be your pretty young thing  
You could become my king  
I gotta know you got me  
Yes, I'll rock your promise ring

Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise  
ring  
Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise  
ring

How in the world could a girl say no?  
I knew it the moment he made my finger glow  
It was good to know I'm who he chose  
It was your heart he felt now it shows, now it shows

You know when you see me floss  
No way it's gon' get lost, I'll never take this off  
I'm older and they call me by your name  
I'll wear it on a chain, because I can hear you say

He said I promise not to hurt you, I promise not to lie  
I promise to befriend you and defend you with my life  
I promise you forever, I promise you today, he said  
Would you wear my promise ring? I said yes

If ya break ya promise we breakin' up  
Got a couple things that I want  
Walks in the park and sweet things  
If I rock your promise ring

I could be your pretty young thing  
You could become my king  
I gotta know you got me  
Yes, I'll rock your promise ring

Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise  
ring  
Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise  
ring

Everybody get up and rock to this beat  
My name is Tiffany and y'all know me  
All my girls with me, all the boys like me  
Come correctly with the promise ring  
And you just might be my boo, my boo

Promise that you'll never let me go and boy I'll  
Boy I'll wear your promise ring  
All you have to do is say the word and boy I'll  
Boy I'll wear your promise ring

Just let me know, just let me know, what I gotta do?  
Just let me know, just let me know  
You ain't goin' nowhere, I ain't goin' nowhere  
I'll be on for sure but you gotta know that

If ya break ya promise we breakin' up  
Got a couple things that I want  
Walks in the park and sweet things  
If I rock your promise ring

I could be your pretty young thing  
You could become my king

I gotta know you got me  
Yes, I'll rock your promise ring

Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise  
ring  
Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise  
ring

If I rock your promise ring  
Young thing, my king
