=====

Your words of steel,
Still echo in my memory.
(0.23)
You said goodbye,
And broke this heart inside of me.
Teardrops fell,
Like hours to eternity.
The room was silent,
As some forgotten melody.
Your words of steel,
Still echo in my memory.
Promises made, promises broken,
Promises made, promises broken.
(1.27)
I thought we had a chance,
To really make it last.
Now the future looks to me,
Like some unwelcome guest.
Be alright,
As soon as I get over you.
But this time it won't be,
Such an easy thing to do.
Promises made are promises broken,
Promises made always cause pain.
Promises made are promises broken,
Promises made, promises broken.
Caught up in the sorrow,
Tangled in dreams.
Ooo, in the lonely hours,
Of silent screams.
And in the heart of the darkness,
I break down.
I feel the spirit of you,
All around...
(3.32)
Promises made are promises broken,
Promises made always cause pain.
Promises made, promises broken,
Promises made always cause pain.
Promises made are promises broken,
Promises made, promises broken.

9. I Think We're Alone Now

=====

(0.19)
Children behave,
That's what they say when we're together,
And watch how you play,
They don't understand,
And so we're,
Running just as fast as we can,
Holdin' onto one another's hand,
Tryin' to get away into the night,
And then you put your arms around me,
And we tumble to the ground,
And then you say,
(0.48)
I think we're alone now,
There doesn't seem to be anyone around.

I think we're alone now,
The beating of our hearts is the only sound.
(1.11)

Look at the way,
We gotta hide what we're doin'.
'Cause what would they say,
If they ever knew and so we're,
Running just as fast as we can,
Holdin' onto one another's hand,
Tryin' to get away into the night,
And then you put your arms around me,
And we tumble to the ground,
And then you say,
(1.40)

I think we're alone now,
There does't seem to be anyone around.
I think we're alone now,
The beating of our hearts is the only sound.
I think we're alone now,
There does't seem to be anyone around.
I think we're alone now,
The beating of our hearts is the only sound.
(2.09)

(2.23)
Running just as fast as we can,
Holdin' onto one another's hand,
Tryin' to get away into the night,
And then you put your arms around me,
And we tumble to the ground,
And then you say,
I think we're alone now,

There does't seem to be anyone around.
I think we're alone now,
The beating of our hearts is the only sound.
I think we're alone now,
There does't seem to be anyone around.
I think we're alone now,
The beating of our hearts is the only sound.
I think we're alone now,(alone now)
There does't seem to be anyone around.
I think we're alone now,(alone now)
The beating of our hearts is the only sound.
I think we're alone now,(alone now)
There does't seem to be anyone around.
I think we're alone now,(alone now)
The beating of our hearts is the only sound.
I think we're alone now,(alone now)...

10.Could've Been

=====
(0.07)

The flowers you gave me,
Are just about to die.
When I think about,
What could've been,
It makes me want to cry.
The sweet words you whispered,
Didn't mean a thing.
I guess our song is over,
As we begin to sing.
(0.40)

Could've been so beautiful,
Could've been so right,
Could've been my lover,
Every day of my life.
Could've been so beautiful,
Could've been so right.
I'll never hold what could've been,

On a cold and lonely night.
(1.20)
The memories of our lovin',
Still linger in the air,
Like the fainted scent of your roses,
They stay with me everywhere.
Every time I get my hopes up,
They always seem to fall.
Still what could've been,
Is better than,
What could never be at all,
At all,
(1.56)
Could've been so beautiful,
Could've been so right,
Could've been my lover,
Every day of my life.
Could've been so beautiful,
Could've been so right.
You can't hold what could've been,
On a cold and lonely night.
Could've been so beautiful,
Could've been so right,
You can't hold what could've been,
On a cold and lonely night.
No, No at all,
How could I hold what could've been,
On a cold and lonely night?
