(Sexual, sexual, irresistible)
(Sexual, sexual, irresistible)

I thought about it
me and you
it's time to make my move
somethin' good
is goin' on
a phenomenon

I'm not that kind of girl to be so sexual
maybe it's physical but I don't care
This time I'm letting go

So turn the lights down low
I'm gonna move it slow
And I won't let go
we're gonna ride it, ride it
Keep it goin' on
Til the break of dawn
baby all night long
we're gonna ride it, ride it

No doubt about it
I can't deny
the way you make me feel
let's not imagine
it's no dream
It's somethin' real

I never thought that love could be so sexual
but now I'm here with you and I'm not scared
to let my feelings show

Repeat chorus

I thought about it
me and you
it's time to make my move
somethin' good
is goin' on
a phenomenon

I'm not that kind of girl to be so sexual
maybe it's physical but I don't care
I'm not letting go

Repeat chorus
