Sacrifice

Tell me something you keep secret
A white lie to wet my lips
So convincing I can feel it
Underneath my fingertips

Leave your conscience on the table
Hesitation at the door
Leave your innocence if you're able
All right here on the floor

Sacrifice~?~sacrifice me
I'll give you everything
Close your eyes
You will find me
I'm your sacrifice

Stomach full of butterflies
A deep breathe on we're on our way
My heart pounds as I surrender
My will I give away

I can't handle your affection
Even if it lasts all night
This sensation~?~shear perfection
Show me more~?~I wanna get it right

Sacrifice~?~sacrifice me
I'll give you anything
Close your eyes
You will find me
I'm your sacrifice

Tell me something you keep secret
A white lie to wet my lips
So convincing I can feel it
Underneath my fingertips

Leave your conscience on the table
Hesitation at the door
Leave your innocence if you're able

All right here on the floor

Sacrifice
I'll give you everything
Close your eyes
You will find me
I'm your sacrifice
