I've been so many places
In my life and time
I've song alot of songs
I've made some bad Rhymes

I've acted out my life on stages
ten thousand people watching
But we're alone now
And I'm singing this song to you

I know your image of me
Is what I hope to be,
I treated you unkindly,
But darling can't you see
There's no one more important to me,
Baby, can't you see through me,
'Cause we're alone now
and I'm singing this song to you

You taught me precious secrets
Of a true love, withholding nothing
You came out in front,
When I was hiding
Now I'm so much better,
And If my words don't come together
Listen to the melody
'Cause my love is in there hiding

I love you, in a place, where there's no space or time
I love you for my life, your a friend of mine.
And when my life is over, remember when we were
together,
We were alone and I was singing this song to you

(Musical interlude)

I love you in a place, where there's no space or time
I love you for my life, your a friend of mine.
And when my life is over, remember when, when we
were together
We were alone and I was singing this song to you

Weeee were alone, and I was singing this song to you
oh oh
Weeeeeeee were alone, and I was singing um um
umhuhuh this song to youuuuuuuuu
