Baby take the long way home,
Don't stop at every light,
The wind is blowing you right through me tonite.
I'm somewhere in the ozone...
Baby I can hardly breathe.
Perfume and leather baby,
You and me together baby.
What good is living in paradise,
If you don't let yourself go once or twice, no.
Nobody's giving better advice,
Show what you're feeling,
You wouldn't be stealing.

(1.03)

Smother me with those eyes, Spanish eyes, Spanish
eyes, yea.
Promise me they don't lie, they don't lie, they don't lie.
Smother me with those eyes, Spanish eyes, Spanish
eyes yea.
Cover me once or twice Spanish eyes, Spanish eyes.

We fell into it baby,
This mood is like a dream.
The night we've waited for so long it seems,
Has come ... To make us crazy,
And we got no place to hide.
Heroes and virgins baby,
Life gets so urgent baby.
Being your friend has been very nice,
But I don't wanna be after tonite, no.
The moon is giving us its perfect light.
Now the radio's beating,
And the words keep repeating.
So,
Smother me with those eyes, Spanish eyes, Spanish
eyes, yea.

Promise me they don't lie, they don't lie, they don't lie.
Smother me with those eyes, Spanish eyes, Spanish
eyes yea.
Cover me once or twice Spanish eyes, Spanish eyes.

Baby I'll stay devoted to you dedicated,
Next to you I just want to be with you baby.
Baby I'll stay devoted to you dedicated,
Next to you I just want to be with you baby.

Smother me with those eyes, Spanish eyes, Spanish
eyes, yea.
Promise me they don't lie, they don't lie, they don't lie.
Smother me with those eyes, Spanish eyes, Spanish
eyes yea.
Cover me once or twice Spanish eyes, Spanish eyes.
Smother me with those eyes Spanish eyes
Spanish eyes yea (Spanish, yeah, yeah)
Promise me they don't lie they don't lie
they don't lie (baby)
Smother me with those eyes Spanish eyes
Spanish eyes yea (me, those, Spanish, baby)

Cover me once or twice Spanish eyes
Spanish eyes
