Assembled From Dead Incompatible Pieces;  
Livid Fragments Regenerated.  
Decomposing Bits Of Organic Matter,  
Brought To Life,  
Revived.  
A Fluid,  
Limbless,  
Sickening Shape,  
A Faltering Semi-Floating Cluster.  
Its Sole Purpose Of Creation;  
To Burst The Imagination Blood Surge.

Defying The Mould Of Human Flesh.  
Smashing The Wall Of Beliefs.  
A Sight To Bring Insanity To All Dimensional Reality.

Carved From Thoughts Unthought Into A Graphic,  
Visible Delusion Of Life.  
A Twisted Display Of Dehumanized Features,  
By Cells Reflected, Refracted.  
A Frantic Dancing Of Particles,

In Pathetic Attempt At Rendering Flesh;  
Swirling To Project The Illusion Of Shape,  
Form, Dimension And Mass.

(Eyes Not Made For Watching.  
Thousand Watt Obsidian Bulbs;  
Reflective, Observed.  
The Only View Is The Barren Self)

A Walking Translucent Entity.  
Void, Suspended.  
Inviolable By Rules,  
All Standards Of Existence.  
An Electrified Vapor-Cloud.  
A Skein Of Bone And Tissue.  
An Atrocity,  
A Liquid Form Unshaped To The Organic Norm.

A Mind Not Filled With Thoughts,  
But A Random Flickering Static.

A Soulless Creature Un-Alive;  
I'm The Un-Human Elastic.
