I searched for love
When the night came
And it closed in
I was alone
But You found me
Where I was hiding

And now I'll never ever be the same
It was the sweetest voice
That called my name
Saying

You're not alone
For I am here
Let me wipe away your every fear
My love I've never
Left your side
I have seen you through the darkest night
And I'm the one who's loved you all your life
All of your life

You cry yourself to sleep
'Cuz the hurt is real
And the pain cuts deep
All hope seems lost
With heartache your only friend
And everyone else long gone

You've had to face the music on your own
But there is a sweeter song
That calls you home
Saying

You're not alone
For I am here
Let me wipe away your every tear
My love I've never
Left your side
I have seen you through the darkest night
And I'm the one who's loved you all your life
All of your life

Faithful and true forever
My love will carry you

You're not alone
For I am here
Let me wipe away your every fear
My love I've never
Left your side
I have seen you through the darkest night
And I'm the one who's loved you all your life
All of your life
