[Verse 1:]

This dude, that I was so cold talking to
You wont belive the things he do
How he would front like he got dough
Stunt like he oh so
Hot, but he not though true
He got a crib but I can't come through
He drive a Benz but his boy do to
But I ain't even bought that, so you need to stop that
Just do you

[Chorus:]

When you say you got cash (You faking it)
Ridin' in your homeboy's Benz (You faking it)
Say you got a brand new house (You faking it)
While you're sleeping on your momma couch (You
faking it)
Because the smile on your face (You faking it)
Be the first, wants to have (You faking it)
What you need to do is (Quit faking it)
Qout faking it, stop faking it, cuz you're faking it

[Verse 2:]

Now this chick
This one I thought I was real cool with
But when she met my man she left
She's poppin up at his house now
Callin' his phone now
You would not belive (belive)

All this sh*t that she said about me (about me)
She poppin in my face, making me belive
Said she trying to take my man from me
It's just jelaousy

[Chorus]

Point 'em out, point 'em out (Who faking it)
Call 'em out, call 'em out (Who faking it)
Point 'em out, point 'em out (Who faking it)
Call 'em out, call 'em out (Who faking it)

Point 'em out, point 'em out (Who faking it)
Call 'em out, call 'em out (Who faking it)
Point 'em out, point 'em out (Who faking it)
Call 'em out, call 'em out (Who faking it)

[Chorus x2]

[Outro:]

(Here's a little secret)
He wasn't the only one faking it, faking it
(If you know what I mean)
(Here's a little secret)
He wasn't the only one faking it, faking it
(If you know what I mean, haha)

Point 'em out, point 'em out
Call 'em out, call 'em out
[Repeat until fade out]
