This is... Tiffany and Jody Breeze feat!

The weekends here I had a long week (I had a long
week)
I can't wait to hit the streets
Yeah I like to dance that's my release (My release)
Let's go get it started come ride with me ([...])
But you can meet me there at 10 o'clock so we can
make it hot baby
If you want to get down

[chorus]
Let's do it right now (Right now)
I know you want to get down (Now)
No stoppin' us now
I'll show you how to get down
Start a fire tonight (What you wanna do)
(We on fire)
I wanna go to the club and throw my hands up
I wanna rock with you (Come on, come on)
Start a fire tonight (I know you comin' through)
(We on fire)
Come through the door and hit the dance floor
Start a fire tonight
(Oh oh oh)

I've been waiting all night it's 10:15
After 11 fellas ain't free
My girls and I are fly like eye candy

Said you was comin' don't lie to me
(Baby if you don't show up)
You gonna miss what's hot up in this spot
And we can make it pop
(Baby) If you want to get down
(Get down, down, down...)

[chorus]

Let's do it (Let's do it) right now (Right now)
I know you want to get down (Right now)
No stoppin' (No stoppin') us now (Us now)
I'll show you how to get down (I'll show you how to get
down)
Start a fire tonight (What you wanna do)
(We on fire)
I wanna go to the club and throw my hands up
I wanna rock with you (Let's fly)
Start a fire tonight (I know you comin' through, yeah)
(We on fire)
Come through the door and hit the dance floor
Start a fire tonight

Were gettin' it started (Yo)
Meet us at the club (Ohh...)
Tearin' up the party (Party)
You know that's wassup (Okay)
Don't need anybody (Anybody)
Trien' to put out our flame (Yo)
If you see us on the dance floor
Then you know it's not a game

[Jody Breeze]

Alright, look
Hey, say, say lil' shawti
I'm a grown man don't play with shawties
So come sip some this bacardi
And let's get this party started
Let's go, breake it down (Breake it down)
Pick it up (Pick it up)
Move it 'round (Move it 'round)
Shake it up (Shake it up)
I'm in the hood ain't hard to find
And I'm the gasoline you need to start a fire
I like the way you make your body move side to side
and rotate ya bottom
You ain't gotta be scared, be safe with it
Put ya hands on ya knees don't play with me woman
From the Atown (Town) to the NY (Y)
Imma stay down (Why) 'cause I been fly (Fly)
I don't play around (Round)
What you talkin' 'bout ('bout)

Damn the playground meet me in the club

Start a fire tonight (What you wanna do)

(We on fire)

I wanna go to the club and throw my hands up (Throw

Start a fire tonight (What you wanna do)

(We on fire)

I wanna go to the club and throw my hands up
