She knows, she is stronger
They know, they're the wonder now
We know, we are stronger
They know, they're the wonder now

We turn the pages of our
Bring back the sick sick sound
Meet at the bench at midnight
We know we take the town
This girl says ninja backwards
Co-colours in the car
Send in the evolution
Twinkle twinkle little star

We know, we are stronger
They know, they're the wonder
We know, we are stronger
They know, they're the wonder
We turn the pages of our (We know, we are stronger)
Co-colours in the car (They know, they're the wonder)
Send in the evolution (We know, we are stronger)
Twinkle twinkle little star

Groaning to the displeasure
From the facts, that burn forever
On the tracks, serve forever
Don't you don't you know why
Don't you don't you know why

Send in the evolution
Send in the evolution
So, send in the evolution
Don't you don't you know why
Don't you don't you know why
Send in the evolution
Send in the evolution
So, send in the evolution
Send in the evolution
Send in the evolution
Don't you don't you know why
Don't you don't you know why
