Records play but I can't listen anymore
My concentration has walked off out the door
I was coming back from there and I got here
But I didn't know which way to go

My records are playing but I'm not listening anymore

My records are playing but I'm not listening anymore
I try to talk to you 'bout things that I want to know nut
you don't know...
Even if I told you and I really think
While you just play records 'cause you know that makes
you oool

'Cos I cheated in exams and I had so many plans
And I thought it all would be OK
And I had so many plans but I cheated in exams
And I got caught out one day

I don't know why I bother anymore
I don't know why I bother anymore
