Someday (Frew, Connelly, Vallance)

When I come home

You telephone, and say

You're waiting for me.

I ask you why, I hear you cry, but

You're still waiting for me.

Chorus:

Someday

You'll be shedding your tears

To cry over me

Someday

I'll be losing this fear.

Now I'm alone

You telephone and tell me you don't need me

I ask you why

You tell me lies and say the truth would hurt me.

Chorus

Down in the streets where lovers meet

That's where I'm waiting for you.

Oh! In the streets, where lovers meet.

I'm still waiting for you.

Chorus
