Can you see the marks in me  
Please tell me what they mean  
I think I might have seen this in a dream  
Patterns and circles  
Letters and dots  
I'm tired of drinking but cannot stop  
This smoke really lingers in this place I know

On and on and oooooooooon always  
On and on and oooooooooon always

My death will be the end of this  
Go on and leave your marks  
I think I might have seen this in a film

On and on and oooooooooon always  
On and on and oooooooooon always  
On and on and oooooooooon always  
On and on and oooooooooon always

Before I fall  
I wanna taste it all  
Before I fall  
I wanna taste it all

On and on and oooooooooon always
