Break it down for me
What is this thing?
Growing inside of me
Through my bones
I feel it here at night
Doubling in size
And years to come from now
I'll wonder if it's gone
No, this isn't me it just can't be
No this isn't me too young to be

Worn down dried up
Worn down dried up

Soon buckle up it so ten minutes to we take off again
Buckle up it so ten minutes to we take off again
Buckle up my friend.

Soon buckle up it so ten minutes to we take off again
Buckle up it so ten minutes to we take off again
Soon buckle up it so ten minutes to we take off again
Buckle up my friend

Buckle up it so ten minutes to we take off again
Buckle up it so ten minutes to we take off again

Aaaaaa, mmmmmm...
Aaaaaa, mmmmmm...
