I am dead from the waist up
All of this sickens me
I feel this heavy pressure
Pounding through my chest
Work with what you have here
Loosen gradually
We will overcome this
It is imperative

This time I won't quit
I won't stop until I'm there
This time I won't quit
I won't stop until I'm there

This time I won't stop at all

I am dead from the waist up
All of this sickens me
I feel this heavy pressure
Pounding through my chest
Work with what you have here
Loosen gradually
We will overcome this
It is imperative

This time I won't quit
I won't stop until I'm there
This time I won't quit
I won't stop until I'm there
This time I won't quit
I won't stop until I'm there

This time I won't stop at all

It's never easy
She never loved me
I won't stop until
I won't stop until
It's never easy
She never loved me
I won't stop until
I won't stop until I'm there

Until I'm there
Ooh, until I'm there
