I met her last year at a rockabilly show  
The bands weren't very good  
But they never, they never really are

Sometimes you get in the mood  
To capture something that's been lost  
Or something you never, you never really had

But there I was anyway  
I was hiding in the bushes outside  
Drinking cheap wine  
Just like I used to do when I was a kid  
Yeah, when I was a kid

She was hiding out from an ex-boyfriend  
Who was at the show with another girl  
She's been dodging them all night long  
I offered her some wine  
And she finished off the entire bottle  
I spent a lot of time with her after that

But there I was anyway  
I was hiding in the bushes outside  
Drinking cheap wine  
Just like I used to do when I was a kid  
Yeah, when I was a kid

When I, when I, when I, when I,  
When I, when I was a kid
