What am I
What am I
What what what
Oh

What am I gonna do
If I can't get through
Counting all these
Freckles in my life

It's just a waste of my time
And there's no finishing line

How am I gonna do I
F I can not get you
To listen to the dreams
We could fulfill

Can't get them out of my bed
I want to knock them down the stairs

I check the stars
But there's no sign (oh)
Venus to Mars
There is no line
Baby

I could be happy
If you still loved me

Still your memories clear
Always here
Deep inside my heart
(Deep inside my heart)

I want you back to come
And feed my appetite

Another lonely night
It's odd
But why aren't you around
(Why aren't you around)

I'm all alone
Thinking
Here my eyes feel
When real
It's my life
Why are you not here
