Na na na na, Na na na
Na na na na, Na na na
Na na na na, Na na na
Na na na na, Na na na

Standing beside you
wishing you'd always be close to me
And how can I tell you
every night I see you in my dreams

Believe me
don't be me
I would never let you go

Why, why do this have to be a fantasy
Let's make our love become reality
Oh, how I pray for that day to come
When we'll be joined together close as one
together close as one

I feel the passion
Burning deep inside my soul
And you're the solution
I know you'd catch me if I fall

Believe me,
don't be me
I would never let you go

(Why...) Why, why do this have to be a fantasy
Let's make our love become reality
Oh, how I pray for that day to come
When we'll be joined together close as one (Na na na
na, Na na na)
Together as one (Na na na na, Na na na)
Together as one (Na na na na, Na na na)
Together as one (Na na na na, Na na na)
Together as one

Don't be me, don't be me
I would never let you go

Why, why do this have to be a fantasy
Let's make our love become reality
Oh, how I pray for that day to come
When we'll be joined together close as one (Na na na
na, Na na na)
Together as one (Na na na na, Na na na)
Together as one (Na na na na, Na na na)
Together as one (Na na na na, Na na na)
Together as one
