(The\_mad\_Marquise/Thunderstorm)  
Come and enter my dark passion  
Come too me - I need your pain  
And you need mine  
so take my hand, dear  
and feel the whipp's caress  
The pain - The pleasure  
The suffer - The joy  
The torment - The ecstasy  
The passion - The pain  
Come and let me play whith my toys  
You'll scream in pain - I'll cry of joy  
I know you like it as much as I do  
so take my hand, dear  
And feel the whipp's caress  
The pain - The pleasure  
The suffer - The joy  
The torment - The ecstasy  
The passion - The pain  
I want you to beg for mercy  
I want to see you suffer  
I want you to like it as much as I do  
Then do the same to me...  
The pain - The pleasure  
The suffer - The joy  
The torment - The ecstasy  
The passion - The pain  
The pain - The pleasure  
The suffer - The joy  
The torment - The ecstasy  
The passion - The pain  
The pain - The pleasure  
The suffer - The joy  
The torment - The ecstasy  
The passion - The pain
