Hooker, hooker, whore x3
WHORE !!!
After a five month relationship
You start to pet with three guys on a party
No apologizes, no excuses are accepted from here on
Fuck you selfish whore
I rejoice in your pain
Pay the price for the life that you choose
I'm throwing you out from my feelings, house and life
What did you really expect?
Perhaps a smile on my lips?
OK, I can still afford you
But then again anyone can
I Pity your new loveer
'Cause he's either very horny, too kind or stupid
And the same thing will happen again
He must really live in agony
Too bad dude, but you just took my torment upon
yourself
Pay the price for the life that you choose
I'm throwing you out from my feelings, house and life
What did you really expect?
Perhaps a smile on my lips?
OK, I can still afford you
But then again anyone can
Now you say that you've never loved me
How do you explain sex? Whore!
Hey, I gave you all taht you asked for
Still this is the thanks you give me
This is why I'm throwing you out
Don't ask me where to go
For it's not my problem...
Any more
Go fuck yourself whore
this is not my problem...
Anymore
Pay the price for the life that you choose
I'm throwing you out from my feelings, house and life
What did you really expect?
Perhaps a smile on my lips?
OK, I can still afford you

But then again anyone can
Go fuck yourself whore
No one cares any way
Go fuck, fuck, fuck. fuck, fuck, fuck, fuck your self
Go fuck, fuck, fuck. fuck, fuck, fuck, fuck your self
Gaddamn whore
