CATHEDRAL SONG

Tanita Tikaram

I saw from the cathedral
You were watching me
And I saw from the cathedral
What I should be
So take my lies
And take my time
'Cos all the others want to take my life
And I watch, with an intent, basic
It's the same for you
You hold your hand
And it's all fine --- laced and
"What would you make me do?"
So take my lies
And take my time
'Cos all the others want to take my life
Serious for the winter time
To wrench my soul
Whole cotton, whole cotton ears
But I know there must be
Yes, I know there must be, Yes, I know there must be a
place to go
You saw me, from the cathedral
Well I'm an ancient heart
Yes, you saw me from the cathedral
Well here we are just falling apart
You catch me
I am tired
I want all that you are
So take my lies
And take my time
'Cos all the others want to take my life
