Now - you can't tell me - well,  
That you know too much  
Well, that you know too much to let go  
Now, I can't watch you  
Be an  
Easy vision  
Well an  
Easy vision  
Lord I love the heaven's solo  
I love the heaven so  
I love the heaven know by now  
That there is a place to  
Now you can't tell me -well  
I have lived too much  
Well - I have lived too much, to know  
Now you can't wash me  
Like a simple reason  
Well a  
Simple reason  
Lord I love the heaven's solo  
I love the heaven so  
I love the heaven know by now  
That there is a place to  
Now you can't tell me - well  
I have dreamed enough  
Well - I have dreamed enough to know  
Now I can dream you  
Like an easy vision  
Well an  
Easy vision  
Lord I love the heaven's solo  
I love the heaven so  
I love the heaven know by now  
That there is a place to  
Mmmm Mmmm  
Mmmm Mmmm
