SIGHING INNOCENTS

Tanita Tikaram

Give me a stand
A standing ovation, baby
Give me a road
Which I can teil
You don't know nothing
About my sad face, baby
So don't pretend
Or you might pay
Cost
It's costing us nothing, baby
I'd ratherbe cold
Than lying over there
No, this ain't sighing innocents
This ain't sighing innocents
No, this ain't sighing
I'm just trying to follow you
And if you walk
I might just tag along
It only be shop talk, some
Well that's something to do
Or I might take a walk down
By the river, baby
But no I won't
No I won't be waiting for you
No, this ain't sighing innocents
This ain't sighing innocents
No, this ain't sighing
I'm just trying to follow you
Sorry but sense
That no one will miss you
No one will miss you
If you die
They might send a wreath
They might send a reason
They might send a reason
But, us, we know
Join in the sus

It's always the same, man
He's taking a stroll
And hen they tie him to his ghost
I know it's sad
But you never listen
No, you never listen
You just drive home
