Why discrimination in the world ? (x4)

God made the world for men to live  
And he said one world one people  
Yes he said one world one people  
But I can see black and white fighting every day

Why discrimination in the world ? (x4)

God made the world for men to live  
And he said one world one people  
Yes he said one world one people  
But I can see black and white fighting every day

Why discrimination in the world ? (x4)

It's a shame  
Discrimination is a shame  
It's a shame for humanity
