Is this really what you want?
Like a ghost your love will always hunt me
Through another sleepless night
It seems like all we do is fight

Faith has dealt all of her cards
And I know this will be hard
But we can make it all through
For my love I have trusted in you

But we keep banging our heads against this wall
Oh girl it's you I do adore
But I don't think I can take this anymore
Oh, no.. I can't take this no more

After all that's said and done
Can you remember who was right and who was wrong?
Where do we take it from here?
Oh, tell me now
When will this all become clear?

Faith has dealt all of her cards
And I know this will be hard
But we can make it all through
For my love I have trusted in you
But we keep banging our heads against this wall
Oh girl it's you I do adore
But I don't think I can take this anymore

Girl you know you got me
You clipped my wings then dropped me
From above I'm falling
But still you keep on calling
Like whispers on a wind
I hear the angel sing
Before they close the door
Is our love worth fighting for?

Oh, is our love worth fighting for
Oh no, no
Is our love worth fighting for?

Oh girl itâ€™s you I do adore
But I donâ€™t think I can take - this anymore
No more, I canâ€™t take this no more
No more

Is our love worth fighting for X4
Fighting for....
