B Dozier,  
hot rod,  
Tila oh my god  
Yeah let's go

I like to fuck everyday,  
every night  
I like to fuck when it's  
wrong when it's right  
I like to fuck, if she's  
black, if she's white  
I like to fuck, if it's loose  
if it's tight  
Chakakan

I met this girl named  
Tammy  
I plowed her in Miami  
the way she moan get  
a boner in my studio  
While she winnin' a Grammy  
all my girlfriends' trip  
Cause i give good dick away  
and make 'em all say daddy  
like fuck, yeah thats what's up  
every 30 seconds got a bust  
a nut, (uh)

Baby don't take it personal  
if i go and fuck these hoes  
lets talk about the word fuck  
for a second  
I make love to you  
Don't get it fucked up baby  
your my queen  
Even thought i go and put my  
dick in everything  
Baby it's just cause...

I like to fuck, bitch  
Once you go black

you ain't ever going back  
Pop up in my Cadillac  
Let's go for a ride baby  
You ain't gotta take your  
panties off  
Just move 'em to the  
side, side, the side

Now I'm fucking with the  
lights  
Pretty bitch lights on,  
ugly bitch lights off  
I got money, I'm a boss  
Hustlin' like Rickey Ross, yeah  
Faces down, asses up  
that's the way i like to fuck  
No hand's dripping wet  
That's the way you like to suck

Baby don't take it personal  
if i go and fuck these hoes  
lets talk about the word fuck  
for a second  
I make love to you  
Don't get it fucked up baby  
your my queen  
Even thought i go and put my  
dick in everything  
Baby it's just cause...

I like to fuck, sexy boys  
sexy girls (uh huh!)  
I like to fuck, leather pants  
jerry curls  
I like to fuck suck cock  
until I hurl  
I like to fuck everybody in the world  
Micheal Jackson (hehe)

a shot of tequila gets  
'em real hot  
I blow the Dozier, ride  
the Hot Rod  
Squirt like the wipers  
on my hot car,  
Ama say ama sa muma  
ku sa!

Sucking on my titties so  
Milky I get dirty with it, I'm  
so filthy,

Do it like you wanna make  
a baby, Yeah MILF me,  
if it ain't yours you could  
still come and drill me  
Right

Baby don't take it personal  
if i go and fuck these hoes  
lets talk about the word fuck  
for a second  
I make love to you  
Don't get it fucked up baby  
your my queen  
Even though i go and put my  
dick in everything  
Baby it's just cause...

I LIKE TO FUCK.
