You know...
I just wanna let you know...
That I never felt ths way about anybody else...
I..I..I think I love you...
So don't think I'm crazy when I tell you this...
But if you ever hurt me...
I'll fuckin' kill you!

[Chorus:]
You betta go down when you get wit me,
You betta realize I'm what you need.
You betta get here 'fore I count to three,
You betta do right, I'll fuck you up!
[X2]

[Verse 1:]
You neva thought (nope),
That a bitch like me.
Would fuck you up,
If you cannot please.
So you betta bow down,
And get on ya knees.
Pore tha diamonds out,
Gimme what I need.

Hold up!
Do you see me laughin'?
You think that it's a joke,
Imma start harassin'.
All you lil' hoes that be tryin' to pass me,
You betta tell them that I kick their asses.

What?
Who you talkin' to?
You betta hang up,
Or I'm through wit you!
And who the fuck is this bitch on ya page,
With the big ass tits up on ya top eight?

Cuz I'm the crazy bitch that's runnin' the game,
Cuz I'm the crazy bitch that's callin' your name.
Cuz I'm the crazy bitch, I ain't got no shame.

I will fuck you up!

[Chorus:]

You betta go down when you get wit me,
You betta realize I'm what you need.
You betta get here 'fore I count to three.
You betta do right, I'll fuck you up!

You betta go down when you get wit me,
You betta realize I'm what you need.
You betta get here 'fore I count to three,
You betta do right, I'll fuck you up!

[Verse 2:]

How come every time you go do it again?
(Why you always out late?)
Why you always drunk when you wit ya friends?
(You need to call me when ya out)
Shut the fuck up and get in my pants,
(Fuck ya friends)
Do what I say, I don't give a damn!

You betta obey if you want my nookie,
You betta stop talkin' to all them hoochies.
You betta wise up and listen to me,
I will fuck you up!

Hold up!
You think I'm trippin' now,
You askin' all your friends,
While you write it down.
You wonderin' why your tires blown,
And why your cell phone ain't work no mo' (yup).

'Cuz I'm tha crazy bitch that's runnin' the game (yep),
Cuz I'm the crazy bitch that's callin' your name (yep).
Cuz I'm the crazy bitch, I ain't got no shame (yep),
I wil fuck you up!

[Chorus:]

You betta go down when ya get wit me,
You betta realize I am what you need.
You betta get here 'fore I count to three,
You betta do right, I'll fuck you up!

You betta go down when ya get wit me,
You betta realize I am what you need.
You betta get here 'fore I count to three,
You betta do right, I'll fuck you up!

I love you,

I love you.
I love you,
I love you.
I love you,
I love you.

Uhh, yeah,
Gimme what I need.

I love you,
I love you.
I love you,
I love you.
I love you (I LOVE YOU!!!),
I love you.

Uhh, yeah,
Gimme what I need.

[Chorus:]
You betta go down when ya get wit me,
You betta realize I am what you need.
You betta get here 'fore I count to three,
You betta do right, I'll fuck you up!

You betta go down when ya get wit me,
You betta realize I am what you need.
You betta get here 'fore I count to three,
You betta do right, I'll fuck you up!
