Thread the eye  
Led by an ill frame of mind  
Judge to justify  
End results sometimes lie friends and peers  
Motives unclear - disappear  
Facing fear and doubt  
Hear the whisper explode into a shout

Too late to get out

Words stinging twisting turning  
Echo in my head  
I can't afford the cost of wasted time  
No failure  
Trapped in a spiral without an end  
Around another corner  
Turning blind

Tensions crest  
Dunce cap crowns the litmus test  
Smoking guns report  
Can't leave the line to start as scars return  
Nothing learned, hopeless and burned  
Raging on and on  
War of words fought yet again are seldom won

Too late to belong

Words stinging twisting turning  
Echo in my head  
I can't afford the cost of wasted time  
No failure  
Trapped in a spiral without an end  
Around another corner  
Turning blind

Asking, answering, looking, seeing  
Take refuge from the storm  
Seeking, finding, directions clearer  
Truth takes many forms

Words stinging twisting turning

Echo in my head  
I can't afford the cost of wasted time  
No failure  
Trapped in a spiral without an end  
Around another corner  
Turning blind
