I know I got jump to you
I know I got a road to play
I'm not â€¦ up to â€¦
A part of me is very â€¦
I hate to disappoint you, it won't be down for long

I'ma gonna get there, I'ma gonna get there fix â€¦ road
I'ma gonna get there, I'ma gonna,
I'm getting closer, I'll get there once again
I know there are other ways,
Oh I know I could get some help
Just like to do it all by myself
Before I give it to you like I should
I'm trying hard â€¦ you know I'll be around

I'ma gonna get there, I'ma gonna get there fix â€¦ road
I'ma gonna get there, I'ma gonna,
I'm getting closer, I'll get there once again

And I just love the way that you handle it
Your road so good but, â€¦
Them other ladies they be cold, but you're so strong,
alright

I'ma gonna get there, I'ma gonna get there fix â€¦ road
I'ma gonna get there, I'ma gonna,
I'm getting closer, I'll get there once again
I'ma gonna get there, I'ma gonna,
I'm getting closer, I'll get there once again
I'm getting closer, I'll get there once again.
